

Annual General Meeting June 27, 2016

Our Vision

A community where everyone is valued

Our Mission

*To offer quality services and supports built on choice and advocacy,
while fostering the community's capacity to value all members.*

Living a Good Life

Strategic Plan 2015-2020

Strategic Directions:

This strategic plan is designed to support and advance Community Living Durham North's vision and mission. It reflects the input and ideas of representatives of all the stakeholders directly connected to the organization - the people it supports, their families, staff and the Board of Directors. The theme, Living a Good Life, runs through the strategic plan and helped to shape its contents.

The plan contains three overriding directions, one related to services, one related to staff and one to families and the larger community.

Direction 1 Be an innovator: Offer creative, high-quality services and supports.

Community Living Durham North will continue to be the leader in providing services wanted by the people it supports and their families. Those services will be: responsive, individualized, creative, flexible and broadly known.

Direction 2 Staff are valued: Continue to promote growth through mentorship and recognition.

Community Living Durham North will initiate strategies that reinforce the value of direct support staff. These strategies will focus on mentoring, staff recognition and motivating and inspiring staff as they support people to live the life of their choosing.

Direction 3 Promote community awareness and knowledgeable families.

Community Living Durham North will increase community awareness of the organization and the people it supports. It will also enhance its communication with families about its services, including those involving direct funding and about other issues that impact on them and their family member.

A Message from the Chair and CEO

Again this year we'd like to thank everyone who contributed to the work of Community Living Durham North and who helped move us along in the direction of our organizational vision: "A community where everyone is valued." Our thank you extends to the people we support, their families, our volunteers and, not least, our employees.

All of these stakeholders were represented in the development of the Strategic Plan that will help guide us through to 2020. Work on the plan began prior to last year's annual meeting and the finished product was formally approved by the Board of Directors on September 28, 2015. Copies of our Strategic Plan can be emailed to interested stakeholders and will be available for pickup at the AGM.

We reported last year that new funding had been obtained from the Region of Durham enabling us to subsidize the housing costs of some of the people we support. Today, 15 households are receiving subsidies that range from \$200 to \$500 per month. And, since last year, we've tapped into a different regional funding stream that has made it possible to hire a new full time staff who is delivering a service akin to our Supported Independent Living program, but to people who are at risk of homelessness for a variety of reasons and do not necessarily have an intellectual disability.

In terms of the funding we receive from government, CLDN has been exclusively dependent for its entire history on the Ministry of Community and Social Services so it's very exciting to have this new partnership with the Region of Durham; it provides not only new resources but a greater ability to shape our own mandate.

We continue to receive valuable support from the United Way Durham Region. Indeed, over the years we've developed a rich reciprocal relationship with the local United Way and have managed to give back via our payroll deduction program, the Ultimate Race held each year in Uxbridge, and through our participation in the "Tour de Perry" tricycle races.

We recently entered Year 4 of a major grant from the Ontario Trillium Foundation which made possible the Coffee Kiosk and our partnership with the Scugog Memorial Library. This grant will expire in 2018 and we'll then be eligible to submit a new proposal. Already we've reached out to Habitat for Humanity and to others who might wish to partner with us in different but equally innovative projects.

We'd like to extend our congratulations to the hard-working committee that recently organized and hosted our second annual *Jamie's Dream Gala*. The proceeds are still being counted but it appears to have raised approximately \$27,000.

And, finally, personal thankyou's go out to Terry Coyne and to Michele Coleman; valued members of our Board of Directors prior to tendering their resignations just one month ago.

Outcomes Sponsorship Fund Recipients

Funds raised from our Annual Jamie's Dream Gala are used to provide assistance to people who struggle to achieve their dreams because of a financial barrier. The generosity of the donors and sponsors of this event has impacted the lives of close to 30 people in just this past year! Here are just a few of the things that people have been able to achieve.

Arthur requested support from the Outcomes Sponsorship Fund so he could spend a few weeks at Fair Havens Retreat Centre. For Arthur, being surrounded by nature gives him a sense of peace and overall well-being. As an artist, the Fair Havens experience will provide him the opportunity to sketch and paint.

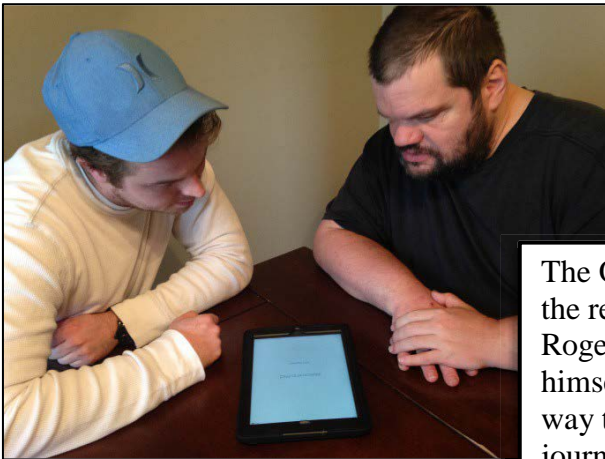

Ashley has always loved horses and dreamed of learning to ride competitively. The Outcomes Fund has supported her with this dream by assisting with the purchase of the competitive riding equipment. Here is a picture of Ashley during one of her competitions.

Julie was thrilled to be able to spend the day at the zoo. Most folks take this kind of activity for granted, but for Julie, who struggles with social situations, the day would simply not have been possible without the support of the Outcomes Fund.

Being in a committed relationship, Kevin wanted to explore his dream of visiting Disney and share it with someone special. He and Hannah were able to make this dream a reality and create some wonderful memories together.

The Outcomes Fund provided Roger with the resources he needed to purchase an iPad. Roger sometimes struggle to express himself; the iPad has provided him with a way to express his thoughts through journaling. The fun of exploring the internet has been an added benefit!

Ann recently celebrated her 50th birthday. As a birthday present to herself, she wanted to reunite with her siblings, one of whom lives in England, to enjoy a family vacation in Florida. The support of the Outcomes Fund made this dream come true!

ANNUAL GENERAL MEETING

MINUTES

June 29, 2015

1. Colin Kemp, Board Chair, opened the meeting at 7:10 p.m. by welcoming all present.
2. **MOTION** by Colin Kemp, **seconded** by Bill McKee, that the agenda be adopted.

CARRIED.

3. Bonnie Blackstock took the podium and introduced the Art & Literacy Group comprised of Michael Salm, Tony Lotfi, Angela Wakefield, Samantha Hillis, Neil McIssac and Vivian Foster. The assembly was treated to a video highlighting the group's activities, especially its exploration of Native American art.
4. Christine Robinson and Louise Renwick then took the podium. Christine explained the significance of the Jamie Ross Star of Excellence Award and its relationship to our monthly Big Believer High Achiever Awards. Together they introduced and congratulated our winners for 2014-15: Jennifer Taylor, Ashton Clauser and Brad Boorman.
5. Leeanna Cliff and the entire Management Team presented Years of Service Awards to both staff and volunteers, specifically to people completing five, ten, fifteen, twenty, and twenty-five years of service. Diane Kring has maintained a volunteer connection for 15 years, and there were three employees recognized for their 25 years of service: Tracey Loutit, Rachel Sedgewick and Glenn Taylor.
6. Glenn Taylor then reviewed the minutes of the Annual General Meeting held on June 23, 2014 and printed in this year's package.
7. **MOTION** by Bill McKee, **seconded** by Colin Kemp, that the minutes of June 23, 2014 be approved, as presented.

CARRIED.

8. Colin Kemp, as Treasurer, delivered a brief report and informed the membership that we ended our fiscal year with an almost negligible operating deficit; some \$229 in a context of about \$12 M revenues and expenses. Colin complimented finance staff on the timely and accurate presentation of information to the Board throughout the year, and concluded by introducing Vesa Vilander of the firm *Smith, Chappell, Marsh, Vilander*.
9. Vesa Vilander, a principal in his firm of auditors, presented his report on this year's audit. He stated that our financial records were in good order, that CLDN has the necessary controls in place, and that monies were spent in a manner consistent with the mandate of the Association.
10. **MOTION** by Clare Suggitt, **seconded** by Bill McKee, that the reports of the Treasurer and our Auditor be received for information, and that the audited financial statements be approved.

CARRIED.

11. Glenn Taylor proceeded to explain the situation with respect to Board succession. He explained that ten people were automatically entering into the last year of a two-year term; i.e. Lisa Kowal, Nicky Jones, Terry Vos, Brenda DeJong, Colin Kemp, Michele Coleman, Louise Renwick, Clare Suggitt, Terry Coyne and Bill McKee.

In keeping with the by-laws, Amanda Robinson had already been appointed to the Board by the A-TEAM – the agency's group of self-advocates.

Two people stood for election for an initial term, having been nominated by the outgoing Board: Anne Wright and Pieta Settimi.

12. Brenda DeJong **NOMINATED** Candace Taylor to the Board of Directors.
13. Glenn Taylor pointed out that with this nomination from the floor there was a slate of 14 candidates which, if acceptable to the membership, would make up a legally constituted Board, as our by-laws stipulate a minimum of seven and a maximum of fourteen. However, the by-laws also contemplate an electoral process and he called three times for further nominations from the floor. None were forthcoming.
14. **MOTION** by Bill McKee, **seconded** by Terry Coyne, that nominations be closed.

CARRIED.

15. **MOTION** by Colin Kemp, **seconded** by Lisa Kowal, that the above detailed slate of candidates be elected by acclamation.

CARRIED.

16. The newly elected Board was sworn in by Alice Johnson.
17. Colin Kemp closed the meeting with a presentation to Carol Hunt honouring her years of service on the Board of Directors.
18. **MOTION** to adjourn – Colin Kemp.

Special Education Advisory Committee (S.E.A.C) Report

Highlights from the Durham Catholic District School Board

The Special Education Advisory Committee held several presentations throughout the year. Dr. Carla Baetz, Chief Psychologist provided committee members with a presentation on the subject of speech and language challenges which included information on the multi-disciplinary school based approach which is considered best practice in the field. The *Summer Rays* program is a literacy program that is in its second year at the Durham District Catholic School Board; its primary focus is the development of literacy and numeracy of students transitioning from kindergarten to grade one.

As a committee, we were privy to information on the *Long Term Accommodation Plan*. This working document focuses on the Ministry's funding guidelines and requirements as well as growth projections for the Durham Region, all of which impacts the implementation of the plan and education/schools in our region. Student mental health continued to be a regular topic; discussion focused on the Board's strategy to support both students and staff in the area of ensuring "safe schools." Strategies include the use of resource mapping in schools and *Suicide Prevention, Intervention and Postvention* training as well as *Mental Health First Aid Training* for staff.

SEAC provided some feedback with respect to Ontario Regulation 274/12 – Hiring Practices. The committee provided input to the Minister of Education regarding the unintended consequences of regulation 274/12.

Transition planning continues to be a main focal point for the Board. The Board was successful in obtaining a grant which enabled them to host a "*Pathways to the Future*" event for parents, educators and students. This event gave attendees the opportunity to learn about options for students with special needs as they are preparing to leave secondary school.

Finally, SEAC members participated in an annual review that included an evaluation of past practices and a re-commitment to the Board's guiding principles, beliefs and mission. The review also included the creation of a Terms of Reference and a SEAC handbook.

Respectfully submitted,

Tracy McGarry
SEAC Representative
Durham Catholic District School Board

NOTICE OF MOTION

The following motion was carried by the Association's Board of Directors on
April 27, 2016

MOTION... that the Board provide our membership with notice that it intends to recommend, at our upcoming Annual General Meeting, the following by-law change:

That the Existing By-Law 5, which reads, in part:

5.1.3 Past employees of the corporation are eligible for membership in the corporation after three (3) years upon leaving the corporation as long as no legal action is pending.

5.1.4 Except as otherwise provided in this bylaw, members of the corporation have the right and responsibilities to the following:

Be amended to include an additional clause, as follows:

5.1.3 Past employees of the corporation are eligible for membership in the corporation after three (3) years upon leaving the corporation as long as no legal action is pending.

5.1.3a Any application for membership in the corporation will be approved by the Board of Directors before becoming effective. If membership in the corporation is denied then the applicant will receive the reason for this decision in writing from the Board of Directors and will be provided with an opportunity to appeal the decision.

5.1.4 Except as otherwise provided in this bylaw, members of the corporation have the right and responsibilities to the following:

Rationale: The Board believes that in rare and extreme circumstances it might become necessary to deny a membership application in order to protect the agency's commitment to its Mission, Values and Guiding Principles.

COMMUNITY LIVING DURHAM NORTH

NOTICE OF MOTION

The following motion was carried by the Association's Board of Directors on
April 27, 2016

MOTION... that the Board provide our membership with notice that it intends to recommend, at our upcoming Annual General Meeting, the following by-law change:

That the Existing By-Law 9.1.1, which reads:

Voting 9.1.1

Each director present at the meeting shall be entitled to one vote. Chairperson shall only vote in the event of a tie vote.

A majority of votes of the directors present, unless otherwise required by law, or the bylaws, or the adopted rules of the Corporation, shall decide every question. Every question shall be decided in the first instance by a show of hands and unless a count or ballot or a Roll Call vote is demanded, a declaration by the Chairperson that the motion has been carried or not carried and an entry to that effect in the minutes of the meeting shall be sufficient evidence of the fact without proof of the number or proportion of the votes accorded in favour or against such motion. The motion is lost in the event of a tie vote.

Be amended to read:

Voting 9.1.1

Each director present at the meeting shall be entitled to one vote. The Corporation permits electronic voting in accordance with detailed protocol set forth in policy.

The Chairperson shall only vote in the event of a tie vote.

A majority of votes of the directors present, either physically or via real time teleconferencing, or of those who participate in the electronic vote, shall decide

every question unless otherwise required by law. In actual meetings every question shall be decided in the first instance by a show of hands and unless a count or ballot or a Roll Call vote is demanded, a declaration by the Chairperson that the motion has been carried or not carried and an entry to that effect in the minutes of the meeting shall be sufficient evidence of the fact without proof of the number or proportion of the votes accorded in favour or against such motion. In electronic voting, a complete record of the email traffic will be retained.

The motion is lost in the event of a tie vote.

Rationale: The Board wants to modernize the by-laws to specifically permit board members to participate in meetings via electronic hook-ups; it also wants to hold meetings when necessary by electronic means. It believes that such devices are essential in order to make decisions rapidly in emergency situations and that they are in fact preferable to proxy voting.

BOARD SUCCESSION PLAN

PRIOR TO THE CALL FOR NOMINATIONS FROM THE FLOOR

The following by-laws are paraphrased:

- 18.0 The Board shall consist of between 7 and 14 directors.
- 6.3.1 Board members are elected, typically, to serve two year terms.
- 6.3.2 These two year terms are staggered such that, typically, half of the directors are automatically entering into their second year at any given AGM. Having served a two year term, the director must stand for re-election if he or she wishes to remain on the Board.

Our by-laws confer on the agency's self-advocate group, the A-Team, the right to name one person to the Board of Directors. *Amanda Robinson* was appointed for a two year term in June 2015 and is about to serve the second year of her term.

Our standard two year terms were designed so we'd always have some people automatically moving into their second year, and others standing for election.

Over time, things have got a little out of balance; eight people are now coming to the end of a two year term but are eligible to stand for re-election:

<i>Louise Renwick</i>	<i>Colin Kemp</i>
<i>Bill McKee</i>	<i>Clare Suggitt</i>
<i>Lisa Kowal</i>	<i>Nicky Jones</i>
<i>Brenda DeJong</i>	<i>Terry Vos</i>

Three people joined the Board at last year's AGM and will therefore move automatically into the second year of their term:

<i>Anne Wright</i>	<i>Pieta Settimi</i>
<i>Candace Taylor</i>	

Regrettably, what was a full slate of 14 sitting directors and candidates has been diminished recently by the resignations of Michele Coleman and Terry Coyne. Michele came onto the Board in June 2014. Terry, Vice Chair at the time of his resignation, has been on the Board since May 2012. Everyone at Community Living Durham North, and especially the volunteers and the senior staff who have worked alongside them, would like to thank Michele and Terry for their selfless contribution.

In summary, twelve (12) people are prepared to serve in the upcoming year and this would make for a legally constituted Board of Directors. However, the Board has a maximum of fourteen (14) seats, and therefore nominations from the floor can be entertained.
